

The Hovercraft Club of Great Britain & Bay Marine Insurance

06 February, 2018

Bay Marine Insurance

Bay Marine Insurance

Provide marine insurance for private and pleasure vessels, inland craft, commercial, dinghies, hovercrafts, yacht clubs and boat yards. We also provide employers liability and legal cover, along with personal and dedicated claim handlers.

We are Independent Marine Insurance Consultants who are able to access leading Marine Underwriters to obtain quotations that are competitive and suited to specific client's needs. Our experienced staff provide a professional and friendly service where traditional values are backed up with the latest technology.

THE HOVERCRAFT CLUB OF GREAT BRITAIN

THE NATIONAL ORGANISATION FOR RACING AND RECREATIONAL HOVERCRAFT

H.C.G.B. organise a national racing championship, contested over six to eight racing meetings around the country each year. Usually held over a weekend or bank holiday weekend and take place in a wide variety of locations on courses made up of both land and water sections.

H.C.G.B. introduction

'We are an amateur club who support and promote both hovercraft racing and hovercraft cruising. We were established over 50 years ago, and, we are still going strong. We are the only Country who hosts a national racing series and can hold up to 9 race meetings between April and October each year. Equally, we support cruise events that occur at various locations across the UK that attract our racing drivers as well. Outside of our own National series, there is also an International calendar for racing that our drivers also have the opportunity to attend. We host a UK international event annually to complement this. Our youngest racers, Juniors, start at just 11 years old and we currently still have someone racing in their 70's (not in Juniors)! All of our formulas have different requirements to define them.'

Potential market for 'members scheme'

- 3900 members of the online forum
- 30 - 40 members who actively cruise at least a couple of times a year
- 7 active club branches : North West, Chilterns, Southern, South West, Midlands, South East, South Downs
